 Revised 2017

**Additional Information:**

1. *What kinds of activities and projects are applicable to this category (Appendix A, Section 1.3; Appendix B Section 1.3; or Article 38.4.3) of professional growth activities? And, how are units assigned in this category?*

Unit equivalents are determined by the PGA Committee at Foothill or De Anza in accordance with past practice on each campus. Hours expended do not determine the number of units granted. The following is meant as a general indicator of units granted in the past; the list is neither binding nor exhaustive, nor should it be considered as a guarantee of units that will be awarded. Publication of a major article in a professional journal: 1-3 quarter units, depending on the scope of the article. Publication of a textbook: a maximum of 6 quarter units depending on the scope of the work. A major artistic production or performance: 1 unit depending on the scope of the work. Many other activities can be considered, including but not limited to authoring workbooks, revision of textbooks, judging statewide or national competition in a discipline area, etc. Each activity will be weighed in relationship to past practice on the campus in granting units for the kind of activity submitted.

2. *How are units awarded for Tenure Review Committee service?*

A Tenure Review Committee member earns 1 quarter unit for each Phase in the process for a maximum of 3 units per committee. A Tenure Review Committee Chair earns 2 quarter units for each Phase for a maximum of 6 units per committee. Phase III units are awarded at the end of the fourth year.

Tenure Review Committee service used to earn PGA units cannot also be used as “special service” on the PAA application.

3. *How can I earn the full 9 quarter units of required PGA in this “activity/project” category?*

A maximum of 9 quarter units can be awarded IF a minimum of 3 units are earned from service on Tenure Review Committees. See Appendix A, Section 1.3; Appendix B, Section 1.3; and Article 38.4.3.

4. *What is the difference between PGA and “special service”?*

Professional Growth Activities (PGA) indicate some sort of “growth,” for example, taking a course, attending a conference or workshop, writing a book/manual, giving a performance or show of work, producing a “product” of some sort. Special service includes using skills/expertise in some way that serves the district, the college, the division or the department such as committee participation, department web liaison, serving on an advisory board, conducting a research study, etc. Generally, committee work within the District (other than service on Tenure Review Committee) cannot be credited as Professional Growth Activity.
