

Article 9-Load and Class Size

MEMORANDUM OF
UNDERSTANDING BETWEEN
FOOTHILL-DE ANZA COMMUNITY COLLEGE
DISTRICT AND
FOOTHILL-DE ANZA FACULTY
ASSOCIATION

On September 20, 1983, the negotiating teams representing FA and the Board reached tentative agreement on Article 9, Load and Class size. As a portion of the agreement, there was an understanding that in Section 9.5 the term “preparation” means in part a single class in which are combined more than one level of the same subject, for example, French 4, 5, 6 or Art 37A, 37B, 37C. In addition, there was an understanding that Section 9.5 prescribes a standard number of preparations that does not necessarily include any preparation that may result from implementation of Sections 11.1 and 11.2 of Article 11, Class Cancellation, on which the teams reached tentative agreement on May 13, 1983.
