6A.1 The purpose of the probationary period is to give the probationary faculty employee who is a candidate for tenure the opportunity to demonstrate to the Board of Trustees that he or she meets the standards established by the Board for the granting of tenure. The tenure review process is a rigorous process of evaluation during which a review of the candidate's performance is conducted and a recommendation is made to the Board of Trustees, which makes the final decision on whether to grant tenure to the candidate. This article describes the process by which the recommendation to the Board is formulated, the criteria upon which the recommendation is made, and the avenues of appeal available to the candidate.

6A.1.1 The tenure review process is a four-year period, divided into three phases. Phase I is Fall and Winter quarter of the first year. Phase II is Spring quarter of the first year and Fall and Winter quarters of the second year. Phase III begins in Spring quarter of the second year and ends in Winter quarter of the fourth year. Phase I shall begin in the Fall quarter of the academic year, regardless of the probationary faculty employee’s first day of service as a full-time faculty employee.

6A.2 The evaluation of probationary (contract) faculty employees shall be performed by the Tenure Review Committee and shall take place according to the provisions contained in this article and as elaborated in the District Tenure Review Handbook, a copy of which shall be given to each employee upon his or her employment in the District.

6A.2.1 Any changes in the District Tenure Review Handbook shall be subject to the negotiations process.

6A.2.2 Probationary evaluations by committee members shall be performed and recorded on the "Administrative and Peer Evaluation Form for Faculty" (Appendix J1 of the Agreement).

6A.2.3 Student evaluations shall be performed and recorded on the "Student Evaluation Form" (Appendix J2 of the Agreement).

6A.2.3.1 The Student Evaluation Form shall be distributed and collected by a member of the Tenure Review Committee and completed in the absence of the faculty candidate. The committee member shall tabulate the responses to "Part A" of the Student Evaluation Form and give them to the chair of the committee who shall meet with the committee and the candidate to review the results.

6A.2.3.2 "Part B" of the Student Evaluation Form shall be given to the chair of the committee. The Part B responses shall be reviewed by the candidate and members of the Tenure Review Committee, but in no case shall such materials become part of the written reports and recommendations of the committee.

6A.3 A Tenure Review Coordinator shall be appointed by the President of each campus with the concurrence of FA and each campus Academic Senate to a two-year renewable term to coordinate all tenure review activities including training, committee selection, and implementation of the Tenure Review Handbook within the provisions of this Article.
6A.3.1 The Tenure Review Coordinator position shall be a “special assignment” under Article 25.

6A.4 For each probationary faculty employee beginning the tenure review process prior to Fall quarter of 2002, a Tenure Review Committee shall be formed as follows:

6A.4.1 The Committee shall be composed of the Vice President of Instruction or Student Services, or the appropriate administrator, or his/her designee, the Division Dean or appropriate administrator, and three tenured faculty;

6A.4.2 Two of the tenured faculty members shall be nominated by the appropriate division faculty (one from the department or program where possible and one from the division) and confirmed by the Academic Senate. The third tenured faculty member shall be appointed by the Academic Senate from the faculty at large but outside the division;

6A.4.3 The Chair of the Tenure Review committee shall be elected by the committee. Tenured faculty members may serve as committee chair but any faculty member who wishes not to serve as chair is free to decline.

6A.5 For each probationary faculty employee beginning the tenure review process in Fall quarter of 2002 and thereafter, a Tenure Review Committee shall be formed as follows:

6A.5.1 In Phase I, the Tenure Review Committee shall be the Core Committee, composed of the Division Dean or appropriate administrator, and two tenured faculty from the division, one of whom, whenever possible, shall be from the same department as the probationary faculty employee. Members of the Core Committee shall serve for the duration of the probationary faculty employee’s tenure review period unless replaced in accordance with Section 6A.6.1. The Vice President may attend committee meetings at his or her discretion to provide input, consultation, and oversight.

6A.5.1.1 The two tenured faculty members shall be nominated by the appropriate division faculty (one from the department or program where possible and one from the division) and confirmed by the Academic Senate.

6A.5.1.2 When a probationary faculty employee has a “split assignment,” that is, an assignment in more than one division or program, or an assignment in one division that serves a special student population in another division, the Core Committee shall, whenever possible, have one tenured faculty member from each of the divisions or service areas.

6A.5.1.3 The chair of the Tenure Review Committee shall be a member of and elected by the Core Committee. Tenured faculty members may serve as committee chair but a faculty member who wishes not to serve as chair is free to decline.

6A.5.2 In Phase II, the Tenure Review Committee shall consist of five members: the Core Committee plus the Vice President and a third tenured faculty member appointed by the Academic Senate from the faculty at large, outside the division.
6A.5.3 In Phase III, the Tenure Review Committee shall be the Core Committee who shall consult with the Vice President throughout the final phase of the tenure review process. The Vice President may provide input and consultation to the committee but he or she shall not be a voting member in the committee's final recommendation.

6A.5.3.1 Notwithstanding Section 6A.2, the Vice President may perform a consultative evaluation during Phase III as described in the Tenure Review Handbook. The evaluation may be initiated by the Vice President, the committee or the probationary faculty employee.

6A.5.3.2 When the Vice President performs a consultative evaluation during Phase III, the Core Committee shall elect one of its faculty members to perform a follow-up evaluation of the same performance area evaluated by the Vice President. This evaluation shall be performed in addition to the three probationary evaluations required during Phase III.

6A.6 The following shall apply to all Tenure Review Committee members as described in Sections 6A.4 and 6A.5:

6A.6.1 When extenuating circumstances (such as Professional Development Leave, long-term sick leave, scheduling conflicts, retirement, etc.) arise, the committee member shall, whenever possible, serve until the end of a phase and then be replaced.

6A.6.1.1 Faculty replacements shall be nominated by the appropriate division faculty and confirmed by the campus Academic Senate.

6A.6.1.2 Administrative replacements shall be appointed by the President.

6A.6.2 In no case shall any member of the Tenure Review Committee also serve as a formal or informal mentor nor shall any faculty member on the committee serve as a supervisor to the probationary faculty employee.

6A.6.3 Tenure Review Committee members shall not delegate their evaluation responsibilities to any other faculty or administrative employee.

6A.6.4 Before beginning their evaluation duties, all Tenure Review Committee members shall have completed an in-service training session specifically designed to familiarize them with timelines and procedures, to emphasize the constructive nature of the tenure review process, and to review the academic freedom rights of the probationary faculty employee.

6A.6.5 Faculty members who serve as members of a Tenure Review Committee shall receive one (1) quarter unit of professional growth activity and a Tenure Review Committee Chair shall receive two (2) quarter units of professional growth activity for the completion of regular and continuous service in each designated phase of the tenure review process as defined in the Tenure Review Handbook. These units of professional growth activities shall be applicable under Article 38.4.3 and/or professional growth activity 1C of Appendices A and B of this Agreement.
6A.6.5.1 In order to receive the appropriate professional growth unit(s) for the designated phase, the faculty member shall complete all evaluation duties delegated to him or her by the Tenure Review Committee.

6A.6.5.2 If a faculty employee fails to regularly perform the responsibilities of the Tenure Review Committee, the Dean of Faculty and Staff at Foothill or the Dean of Academic Services at De Anza shall request to meet with the committee member in an attempt to resolve the issue. If necessary, the Dean, in consultation with the campus Tenure Review Coordinator, may remove the faculty member from the Committee if, in their professional judgment, the non-performance of responsibilities seriously impairs the tenure review process. In such a case, the Division Dean shall seek a replacement on the committee as provided by Section 6A.6.1.1.

6A.7 The Tenure Review Committee Chair shall be responsible for calling meetings, coordinating activities of the committee, representing the committee to the Tenure Review Coordinator and any management employees, and other officially designated duties.

6A.8 Criteria to be considered in the official evaluation and tenure review of probationary faculty have been developed by District faculty and administrators. These criteria, which serve as standards for the evaluation itself, are elaborated in the Tenure Review Handbook. These criteria shall include:

6A.8.1 Performance in classroom teaching or in the fulfillment of other primary responsibilities specifically listed in the employment job description;

6A.8.2 Demonstration of respect for students' rights and support of student success;

6A.8.3 Demonstration of respect for colleagues and the teaching profession;

6A.8.4 Professional contributions; and,

6A.8.5 Professional growth activities. (Requirements for step advancement are specified under “Professional Growth Activities” in Appendix A and Appendix B of this Agreement.)

6A.9 Criteria not included in Section 6A.8 shall not be used in the evaluation process nor be a part of the Tenure Review Committee's recommendations unless such exceptional criteria have been discussed with and agreed upon in writing by the probationary faculty employee.

6A.9.1 The use of these exceptional criteria in the evaluation process shall be determined by the peculiar situation or demands related to the probationary faculty employee's primary assignment.

6A.9.2 The appropriate Vice President or Dean shall inform the Tenure Review Committee and the probationary faculty employee of any program requirements or standards related to the probationary faculty employee’s assignment(s).
6A.10 The evaluation may be based upon information obtained through the use of videotape or other recording devices only with the written permission of the probationary faculty employee.

6A.11 No anonymous letters or material shall be used in the tenure review process in any form nor shall such materials be referenced in any evaluation or Tenure Review Committee records.

6A.12 No evaluation shall be based upon information unrelated to the probationary faculty employee's performance as specified in Sections 6A.8 and 6A.9. All evaluation materials shall be in writing and shown to the probationary faculty employee, who has the option of signing or not signing the material. If the employee chooses not to sign the material, the decision shall be so noted and dated by the evaluator.

6A.13 The private life of a probationary faculty employee, including religious, political, and organizational affiliations, or sexual orientation, shall not be a part of the probationary faculty employee's evaluation and tenure review process in any manner whatsoever.

6A.14 The Schedule of Activities and Timelines within which the evaluation and tenure review process shall occur are delineated in the Tenure Review Handbook. While these timelines are not meant to be understood or interpreted as rigid and absolute, they are essential to a fair, professional, and objectively administered process.

6A.14.1 To provide needed flexibility, the written timelines shall be adhered to within a period of five working days before and five working days after the stated times and dates, except for the conditions specified in Section 6A.16.

6A.14.2 For probationary faculty employees who began the tenure review process prior to Fall quarter of 2002, the 1998-2001 Handbook shall apply.

6A.15 The Tenure Review Committee shall meet with the probationary faculty employee to review the criteria and performance areas that will be evaluated, including any program requirements and external standards related to the probationary faculty employee’s assignment(s). The Tenure Review Committee Chair, as specified in Section 6A.7, shall be responsible for the construction of a written schedule of meetings and evaluative activities so as to conform to Sections 6A.14 and 6A.14.1. A copy of this schedule shall be delivered to the probationary faculty employee, the committee members, and the Tenure Review Coordinator within five working days of the committee's first meeting with the probationary faculty employee.

6A.15.1 When a probationary faculty employee has a “dual assignment” that is, a primary assignment for instruction, counseling, or learning resources that also includes program coordination or direction, program responsibilities shall be evaluated by at least one administrator and one faculty member of the committee during each phase of the tenure review process.

6A.16 In the event of unusual or unforeseen circumstances that might cause the Tenure Review Committee to be unable to adhere to the timeline schedule as specified in Section 6A.14.1, the committee, on the basis of a majority vote, may make a request to alter the timelines. The Tenure Review Committee Chair, after informing the probationary faculty employee, shall submit a written request to change the timeline schedule, along with the probationary faculty employee's comments, if any, to the President or designee and to the Tenure Review Coordinator, outlining the reasons and conditions for the request. The President or designee shall respond to the chair's request
within two working days stating reasons for either granting or denying the request. A copy of this written response shall be delivered to the probationary faculty employee.

6A.17 During the Spring Quarter of each academic year, FA, the Academic Senate, and the President shall each appoint two persons at each college to a Tenure Review Due Process pool for the following academic year. Each college pool shall then elect its own chair.

6A.18 From each college pool, as specified in Section 6A.17, a three-member Due Process Panel consisting of one representative from each of the three units shall be appointed by the chair to serve as a hearing body. The Due Process Panel shall exist to act as a hearing body in the event that a probationary faculty employee, a Tenure Review Committee member, the Tenure Review Coordinator, or other staff member alleges that a due process complaint should be filed. A complaint may be so filed if it alleges that:

6A.18.1 A probationary faculty employee is being subjected to biased treatment during the tenure review process; or

6A.18.2 Board policy and/or the process/timelines established in the Handbook are not being followed.

6A.18.3 Prior to invoking the due process procedure, complainants shall make a good faith effort to resolve issues within the committee or with the assistance of the committee chair and the Tenure Review Coordinator.

During the tenure review process, the Due Process Panel shall not be responsible for the substantive issues involving recommendations to grant or deny tenure. Substantive issues involved in a negative decision on tenure by the Board during the third or fourth probationary year shall be reviewable through a special grievance. This grievance shall be governed by applicable provisions of Article 5 (Grievance Procedure) commencing with Section 5.3. Nothing in this process shall be inconsistent with legal requirements; furthermore, Education Code Section 87610.1(c) and (d) shall specifically apply.

6A.19 Due process complaints shall be filed in written form with the Tenure Review Coordinator of the respective college. The Tenure Review Coordinator shall immediately notify the panel chair and the President or designee.

6A.19.1 If the Tenure Review Coordinator is part of the complaint, the complaint shall be filed directly with the panel chair who shall then notify the President.

6A.19.2 Due process complaints shall be filed before the end of the fourth week of the Winter Quarter of the academic year. During the fourth academic year, Phase III due process complaints shall be filed by the fourth week of the Fall Quarter. If an untimely complaint is raised, the person filing the complaint shall demonstrate why he or she could not have discovered the alleged violation in a timely manner. The panel shall then make the decision whether to act on the complaint or reject it as untimely.

6A.20 The college due process chair shall direct the three-member Due Process Panel as specified in Section 6A.18 to act on the complaint. The party filing the complaint shall provide the Due Process Panel with a written statement specifying the alleged bias or procedural violation. The Due Process Panel shall examine the complaint(s), meet with members of the Tenure Review Committee and others deemed necessary, and confer
with the respective probationary faculty employee. The Due Process Panel shall not be required to conduct a "trial-type" evidentiary hearing.

6A.20.1 All discussions and deliberations shall be held in strict confidence. Information in writing or otherwise regarding an issue brought before the Due Process Panel should not be shared with anyone not directly involved in the process. Decisions to include others on a need-to-know basis shall be made by the panel. No unsigned material shall be considered. Any person against whom allegations are made within the due process procedure has a right to examine the allegation and to respond accordingly.

6A.21 The Due Process Panel shall, within fifteen working days following the filing of a complaint as specified in Section 6A.20, render its findings and recommendations in a written report to the President with a copy to the probationary faculty employee.

6A.21.1 If the panel unanimously finds the complaint to be valid, the President shall, in a timely manner, direct the implementation of the recommendations contained in the report to the extent permitted by law. If the recommendations are inconsistent with any legal statutes or regulations the President shall provide both the panel and the Faculty Association with a rationale for not implementing the recommendations and shall work with the panel to reach acceptable recommendations.

6A.21.2 If the panel's recommendation is not unanimous, after conferring with the panel, the President shall make and implement the final decision. In all cases the complaint(s) and the findings and recommendations of the panel shall be forwarded to the Board itself at the time the college President makes his or her recommendations regarding the continued employment of the respective probationary faculty employee.

6A.22 The Tenure Review Committee shall make its recommendation regarding the continued employment of the respective probationary faculty employee to the President of the college and all materials involved in this recommendation, pursuant to this article, shall be in writing.

6A.22.1 In recommending a probationary faculty employee for continued employment, the President may submit a summary paragraph of the probationary faculty employee’s performance with the written recommendation.

6A.22.2 In the event that the President recommends not to continue employment, all written materials provided to the President together with the President's written recommendation, and any materials produced under Section 6A.21, shall be presented to the Board for its final action. A copy of all of these materials shall be given to the employee at least one week prior to their presentation to the Board.

6A.23 After the Board has acted, all materials presented to the President by the Tenure Review Committee and any other official evaluations on file with the Tenure Review Coordinator shall be placed in the employee's personnel file. All other materials produced during the Tenure Review process shall be given to the faculty employee except that the originator of a material may keep a copy of that material.
6A.24 In the event that a probationary faculty employee resigns before the tenure review materials are submitted to the Board, the only material to be placed in the employee's personnel file shall be the administrative evaluation(s).

6A.25 Either the Board or FA may reopen negotiations on this article at any time by delivering a written request to reopen to the other party.
