 Revised 2023

Additional Information:

1. *What kinds of activities and projects are applicable to this category (Appendix A, Section 1.3; Appendix B Section 1.3; or Article 38.4.3) of professional growth activities? And, how are units assigned in this category?*

Unit equivalents are determined by the PGA Committee at Foothill or De Anza in accordance with past practice on each campus. Hours expended do not determine the number of units granted. The following is meant as a general indicator of units granted in the past; the list is neither binding nor exhaustive, nor should it be considered as a guarantee of units that will be awarded. Publication of a major article in a professional journal: 1-3 quarter units, depending on the scope of the article. Publication of a textbook: a maximum of 6 quarter units depending on the scope of the work. A major artistic production or performance: 1 unit depending on the scope of the work. Many other activities can be considered, including but not limited to authoring workbooks, revision of textbooks, judging statewide or national competition in a discipline area, etc. Each activity will be weighed in relationship to past practice on the campus in granting units for the kind of activity submitted.
