CONTRACT REVIEW AND CONSULTATION

- 29.1 The Board and the Association shall establish a Contract Review Committee composed of a mutually agreed upon number of Association officers or negotiation team members and District administrators at the Division Dean level or higher. The committee shall meet once each month at a regularly scheduled time and date to discuss any problems associated with the administration of the *Agreement* and to consult on matters that are topics of consultation under Government Code Section 3543.2. The parties shall not conduct any negotiations at such meetings, and such meetings shall not be the exclusive means by which the parties may consult with each other. Either party may postpone any meeting scheduled pursuant to this section by giving the other party notice of the postponement and an explanation of the reasons therefore. Such notice shall be given at the earliest possible time, preferably at least three working days before the date of the meeting to be postponed. If a meeting is postponed, another date and time shall be established for that month's meeting or the parties may mutually agree to cancel the meeting.
- 29.2 The Board and the Association shall establish procedures for the keeping and approval of minutes of this committee, and for the timely distribution of these minutes to all appropriate managers and other employees.
